

Adrian Gillespie, Chief Commercial Officer

Welcome

Welcome to Strathclyde

- A leading international technological university
- Inspired by our founding principle as ‘a place of useful learning’
- A UK top 20 University for research intensity, according to the Times Higher Education
- Home to 23,000 students from more than 100 nations

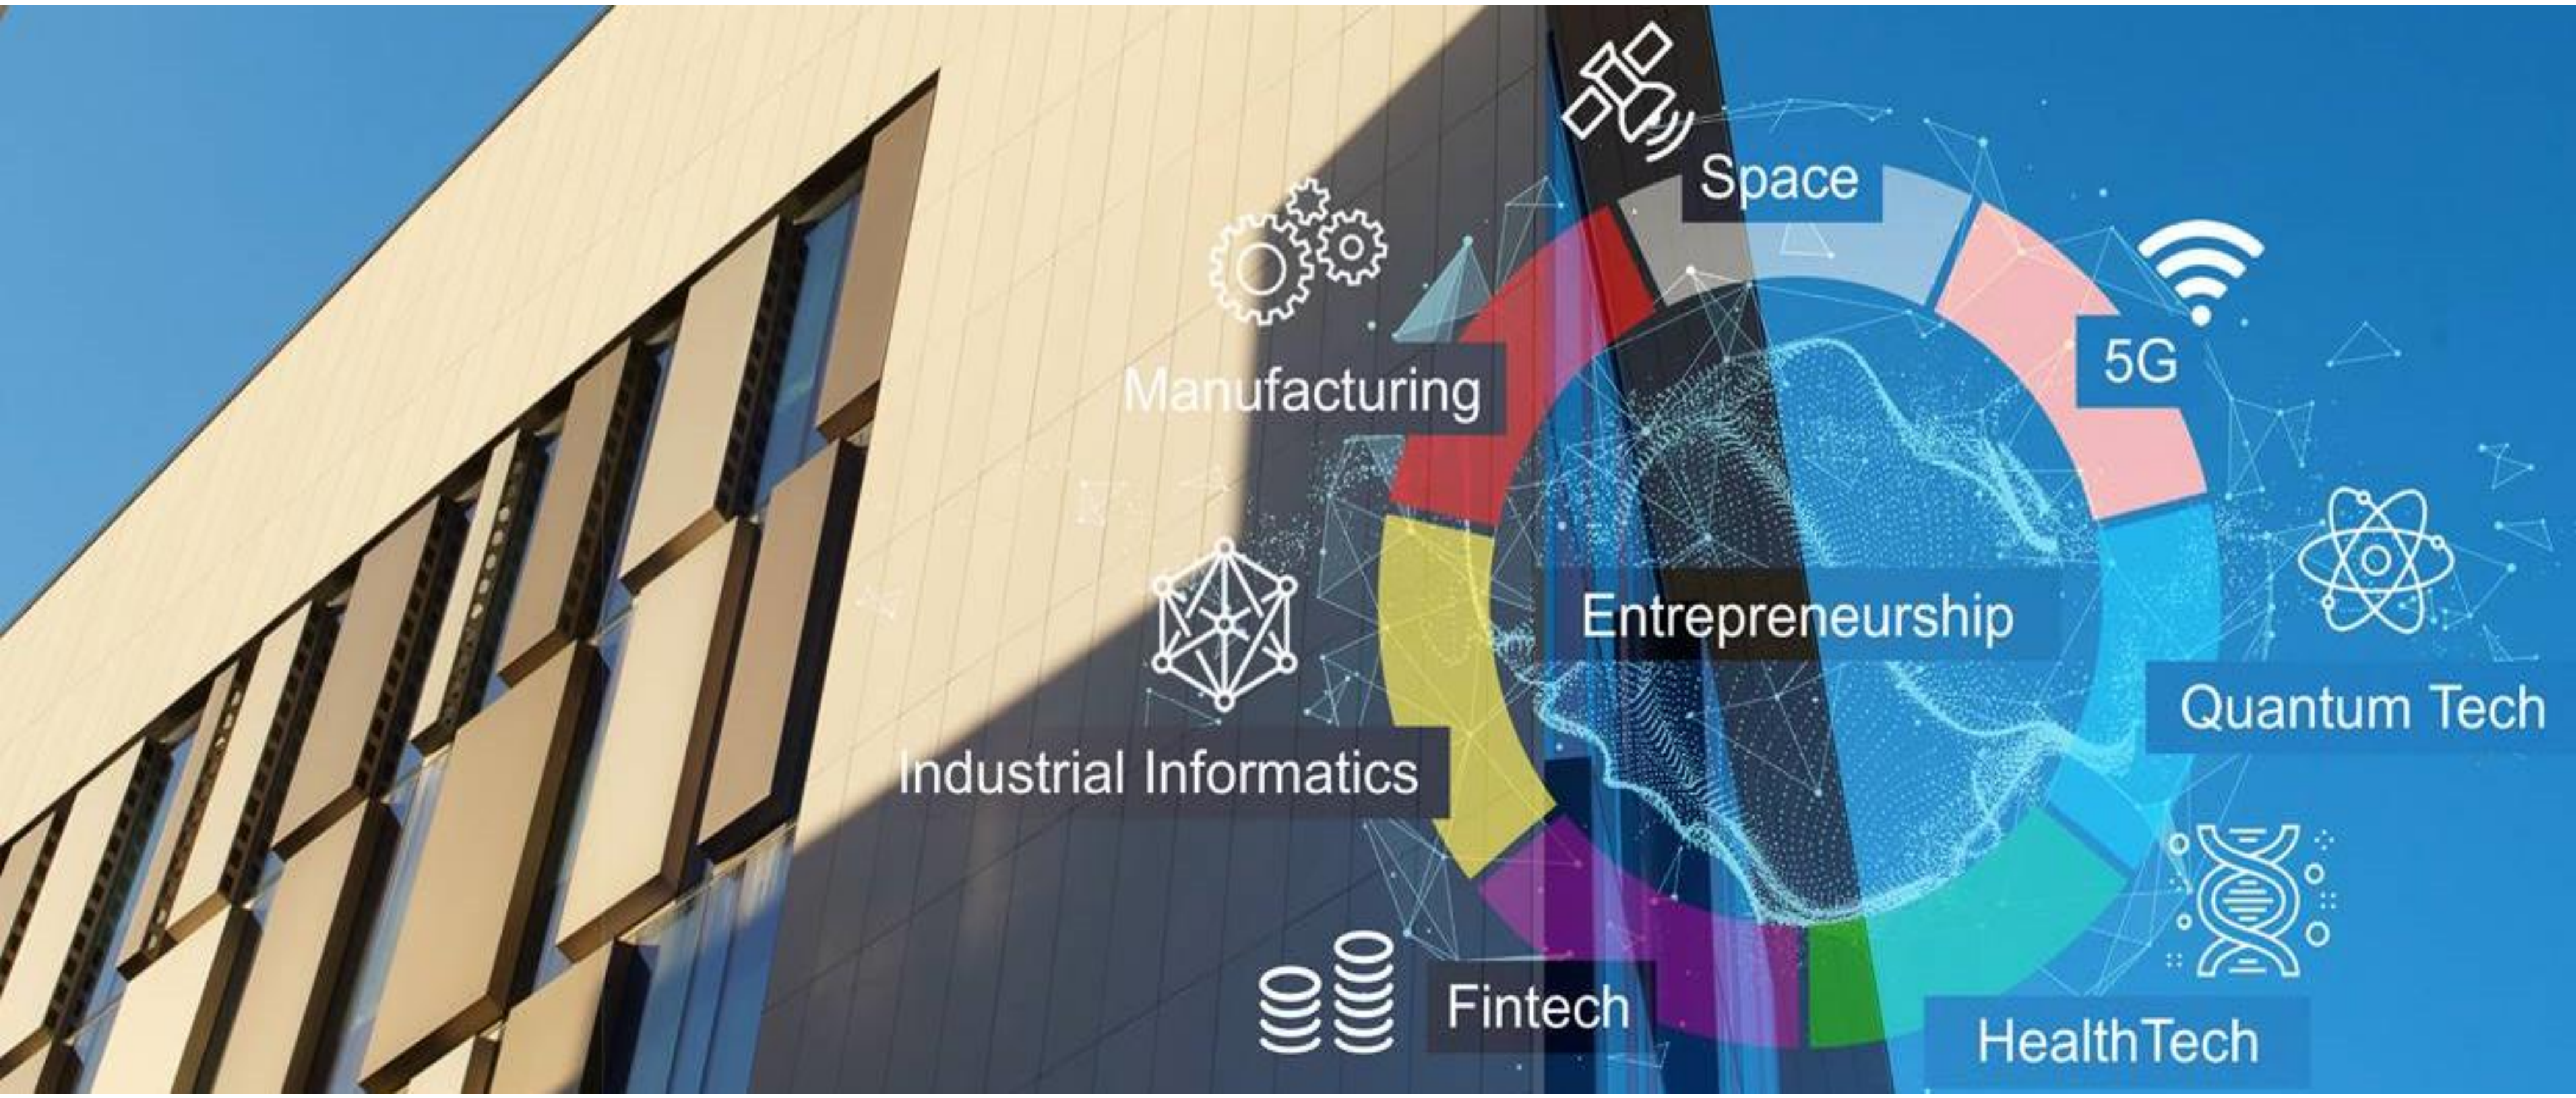

Glasgow City Innovation District

- A hub for entrepreneurship, innovation, collaboration
- Bringing together ambitious people to tackle world challenges – and foster inclusive economic growth
- World-class skills and talents base and desirable place to live, work and study
